IREM KOC

DEVELOPER CANDIDATE

As a curious, researcher, indomitable and questioning python developer candidate, I want to be a person who adds value and makes a difference from the moment I take part in your company. I'm always working for the better.

#curious   #researcher   #indomitable   #questioning
#hardworking   #easygoing   #contactable
#resultoriented   #timemanagement   #continuousimprovement
